Wedding FAQs

How much is a wedding cake?

Each cake is individually priced up on a few vital factors which include: how many tiers and it has, what flavours it has, and what flourishes/ decorations it has (e.g. sugarpaste flowers, edible sculptures, pearls, etc.)

Do you deliver?

Yes. Price of delivery is calculated based on mileage.

What is the deposit?

I require a 50% deposit to secure the date. This is partially (25%) refundable up to 24 weeks prior to the wedding which is outlined on the invoice. Full payment required within 12 weeks of your wedding.

What happens if you get Covid/ill?

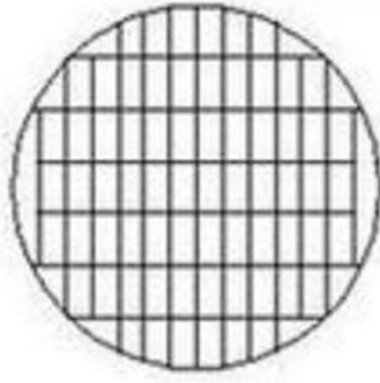

I have a backup baker (my mentor) to complete any wedding orders I am unable to. Your wedding orders are prepared up to 6-12 weeks in advance so should be mostly completed by myself in this scenario. On the rarest of occasions, I have to cancel, you are covered with my refund policy.

A wedding is special. What benefits do I get?

Each Valentine's day, you receive a 20% discount on orders you make. Just be sure to reference your wedding!

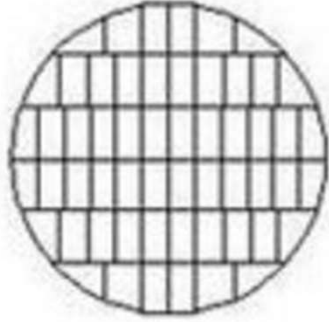

Also, if another couple books a wedding order with me and gives you as a reference, I will add a 10% discount/refund to your final wedding order or to your next order of your choice if it is post your date.

Cupcake Bouquet Centrepieces

Cupcake bouquets are piped in a variety of flowers.

I have had couples use them as centrepieces instead of traditional non-edible items. They are impressive creations that dazzle your guests.

They always look stunning on a tower too!

The perfect gift! Mother of the Bride/Groom, Flower Girls, Valentines, Mother's Day, Christmas or a Birthday, give something more memorable than flowers.

Birthdays

A birthday celebration isn't complete without a cake. No matter where you are celebrating, or who with, at Rollinson's Cakery we supply a range of birthday cakes. Celebrate in style with our birthday cakes.

Cakes can be made for any occasion and can be as simple or creative as your heart desires.

Mark the occasion with **extra sweetness!**

Gender Reveal

Gender Reveal cakes are the new upcoming trend!

They can be designed in elaborate cakes, or made into individual sized cupcakes for your celebration.

As the baker, I can take the sealed envelope so it is a surprise for you too!

It is a fun way to find out the birth gender of your precious miracle.

Christenings and Naming Days

A christening cake is perfect for a christening, baptism or naming day. Like the way we mark birthdays and weddings with the ritual of cutting a cake, it also plays a vital role in the christening celebrations.

With the cutting of the cake, everyone gathers around and celebrates with the new parents and godparents, and, of course, the newly-christened baby.

Whether you are a fan of the traditional, modern or themed baptism and christening cakes, I can design anything you can imagine - the perfect way to help you introduce your little one to the world.
